INFRA PROJECTS PVT LTD

Shiwalay Infra Projects Pvt. Ltd. (Shiwalay Infra) was established on 3rd June 2016. This new Company has the same management team as that of "Shiwalay Enterprise" (which was a Proprietary Concern) and it was subsequently converted into a Private Limited Company under the name of Shiwalay Infra Projects Pvt. Ltd. and it has taken over "M/s Shiwalay Enterprise" along with all its assets and liabilities.

Shiwalay Infra specializes in Construction of

Roads

Infrastructure Related Civil Work

Canals

Check Dams

Under Ground / Over Ground Pipe Line Laying Works

Ports / Docks Civil Works

Marine Structures

RCC Foundations

Industrial Sheds

Non-Industrial Civil Works

Other General Civil Works

Shiwalay Infra has established its presence by its more than 25 years of a strong, customer-focused approach and the continuous quest for world-class quality has enabled Shiwalay Infra to attain and sustain its leadership in the construction business. Shiwalay Infra provides a broad spectrum of Civil Construction.

Since 1999 the company has catered specifically to the growing demand for carrying out Quality Construction Projects in Roads, Canals and Bridges. Shiwalay Infra has emerged as one of the successful contractors in the field of Civil Construction and Pipe Engineering. It is one of the fastest-growing construction companies in Gujarat, India.

The company has developed since its inception into a professional construction team that is now providing annual construction services worth more than ₹350 Crores to diverse and top-tier clients located across Gujarat.

About Us

Shivalay Infra Projects Pvt. Ltd. offers an umbrella of specialized services including construction of roads, canals, dams, ports, docks and other industrial and non-industrial civil works. The one factor that sets us apart from other construction companies is the strong trust built for our customers in more than 25 years of committed services.

The assets we own are the major reasons behind our best in class service delivery. We own high-tech equipment and machinery that helps us serve our customers in the most efficient way. Yes, our commitment and assets are the secrets to our fast work delivery with precision. Be it Batch Mix Plant, Drum Mix Plant, RMC Plant, Pumps or any related machinery, we have got everything covered for a hassle-free construction experience. We have a direct workforce of 350+ talented and trained employees to deliver the services in the most professional manner.

Our Journey

Around 1985, Mr. Jitendrasinh Rathod started to lay the foundation for the vision he had. In 2003, Shivalay Enterprise was registered as an official construction company all due to the hard work of Mr. Jitendrasinh Rathod. From 2003, Mr. Rudraduttsinh Rathod, the elder son of Mr. Jitendrasinh Rathod, took over Shivalay Enterprise to new heights with his expert technical skills. In 2012, Mr. Abhijeetsinh Rathod, being the youngest son, joined Shivalay Enterprise. He is now responsible for project management and finance under the decision-making of his elder brother. This terrific trio is the reason behind the success story of Shivalay Enterprise and the milestones achieved during the wonderful journey.

Clients that have added feathers to our portfolio are Sardar Sarovar Narmada Nigam Ltd., Narmada Water Resources, Road & Building Departments of Gujarat, PIU Department, Indian Oil Corporation, ONGC, NHAI, NHIDCL, VMSS and many more in the list. With high-quality equipment, and strong team management, we have been able to finish dream projects. Furthermore, we have established resource and supply chain management as well as quality management services.

Our success lies behind the foundation of values and philosophy that we believe and work with. The values we abide by at Shivalay Infra are:

Mr. Jitendrasinh Rathod
Founder

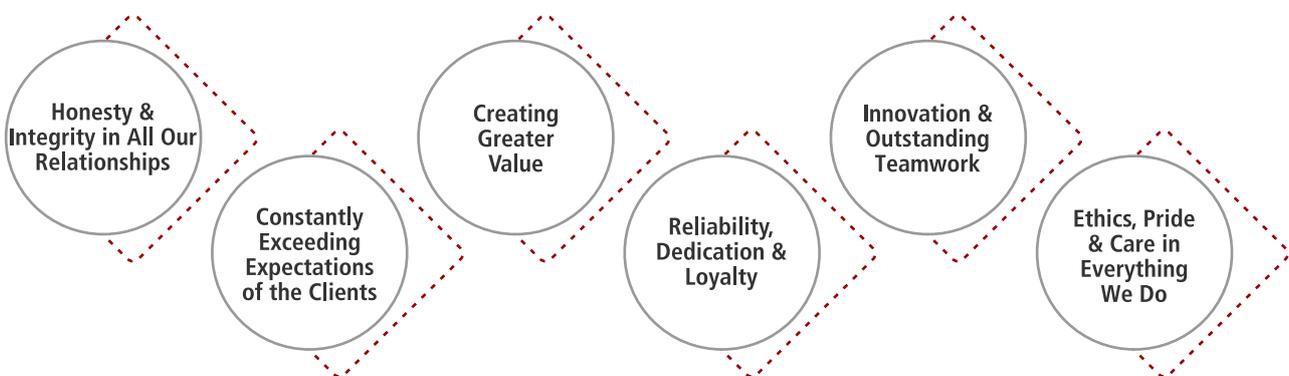

Mr. Rudraduttsinh Rathod
Managing Director

Mr. Abhijeetsinh Rathod
Operations & Finance

'Efficient Deployment of Resources' and 'Excellence In Execution' are the core of our competence.

Vision

Becoming the most renowned brand of construction services by serving our customers in the most efficient way.

Mission

Creating innovative and finest quality construction solutions to develop our nation and achieve the best customer experience.

Our Core Competencies

Commitment to Quality

Commitment to Time Schedules

Strong Financial Background

Effective Knowledge Management System & Talent Retention

Ability to adapt to Customers' Processes and Methodologies
